WHO CAN SHOW THOSE OLD DELTA BOYS
A THING OR TWO,
WONDERFULLY FRESH AND ENERGISED,
A CROWD GRABBER WHO WHIPS UP A STORM....

FAT ROOTS BOOGIE SINCE 2005
"THE HIGHLIGHT OF THE FESTIVAL"

Nigel Feist - Promoter Broadstairs Blues Bash

A fat boogie style and sound delivered live and direct. This music, percussive and dynamic in its nature, melodic and soulful in its heart shouts loud and kisses sweet.

A potent combination of guitars, percussion and vocal performed with passion and belief.

Constant touring has built Brighton based Toby Barelli aka King Size Slim a reputation as a powerful performer with an engaging sense of entertainment.

Toby was performing regularly with local bands at the age of 14. Sitting in with anyone who would let him, style or genre didn't matter, he just wanted to play. His tenacity paid off, and shortly after leaving school Toby got his first professional work.

A later invitation to join 'The Selector' led to four years of constant world-wide touring and recording with many Ska and Reggae heroes.

Toby now performs around 150 solo shows a year, has a debut solo album, and has become a 'must see' act on the alt.blues circuit.

"THE FORCE OF NATURE THAT IS."
